

Reception End of Year Expectations

End of year expectations are the National Curriculum's minimum age related expectations for a specific year group. With the significant changes to the National Curriculum and assessment guidelines as of September 2014, each class has now been given age related objectives that they need to reach during the academic year. The teachers and children use these as one of the tools to help discuss individual's progress and levels of attainment.

This leaflet provides information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year. All the objectives will be worked on from September to July and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued. If you have any queries regarding the content of this leaflet or want support in knowing how best to help your child, please talk to your child's teacher.
