

English

In English, we will be writing a brochure using persuasive devices based upon Crater Lake Activity Centre. We will be continuing to develop higher order vocabulary as well as:

- using formal tone
- editing, uplevelling and writing with stamina
- including relevant features of persuasive brochure within our writing
- emotive language
- rhetorical questions
- facts and statistics.

Science

Our Science topic this half term is Evolution and Inheritance
We will:

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

Art and Design

-understand how key developments in design and technology have helped shape the world we live in, especially in terms of using electrical systems for entertainment

- generate, develop, model and communicate ideas through annotated sketches and exploded diagrams, ensuring my design is relevant for the target audience
- evaluate the effectiveness of my design and others' designs, describing how they meet a criteria, their limitations and successes

Sculpting

-research and explore Mayan masks discussing the key characteristics, pattern, texture and design

-develop use of formal clay techniques to produce shape, pattern, texture and design

-make and decorate a clay mask, using formal techniques, in the style of Ancient Maya

Maths

Fractions

- Equivalent fractions
- Ordering fractions
- Fractions, Decimals and Percentages

Shape

- Measure and classify angles
- Calculate angles
- Angles in triangles, quadrilaterals and polygons

Position and Direction

- Coordinates
- Translations and Reflections

PE – Athletics and Fitness

PSHE- Healthy Relationships

Music – Using chords and structure

MFL – Menus

Computing - Inside the internet

Humanities

In history, we will be exploring the Ancient Maya. This includes:

- explore the Maya civilisation and understand who they were, when they lived throughout history and where they were located
- describe daily life in the Maya civilization, comparing and contrasting the life of members of the social pyramid
- evaluate historical sources to learn more about the Maya civilisation
- explore historical theories about the legacy of the Maya civilisation and contrast key learning with knowledge of British history

RE

Islam

Topic 7 - Witnesses

Topic 8 – Healing

Topic 9 – Common good

Key Information for Summer Term 2 (Year 6):

PE days – Our PE day for this half term is Thursday

Homework days- Homework will be given on a Friday and needs to be submitted by the following Friday on SeeSaw
