

English

This term we will be using 'It Fell From the Sky' by The Fan Brothers to explore tenses, grammar and vocabulary to produce instructional writing.

- Create instruction through the use of the second person and explore tenses
- Extend simple sentences using conjunctions
- Using imperative verbs to inform and instruct
- Continue to develop use of commas and apostrophes

Our outcome by the end of the term will be to write instructions for a marble game.

Maths

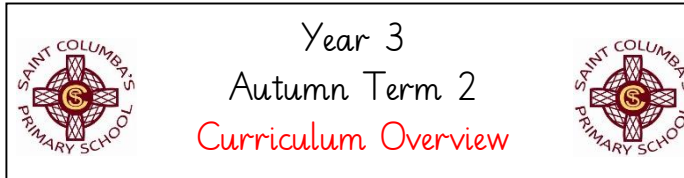

Calculations

- confidently add and subtract 2-digit numbers and 3-digit numbers
- round numbers and estimate answers
- Use efficient methods including inverse operations
- multiply and divide using division facts
- problem solving
- Learning multiplication tables up to 10 x 12

Science

Our Science topic this half term is Forces and Magnets. In this unit we will:

- compare how things move on different surfaces
- notice that some forces need contact between 2 objects, but magnetic forces can act at a distance
- observe how magnets attract or repel each other and attract some materials and not others
- compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials
- describe magnets as having 2 poles
- predict whether 2 magnets will attract or repel each other, depending on which poles are facing

Key Texts

Geography

Is everywhere the same in the UK?

In this unit we will:

- identify different types of settlements in the UK.
- describe the features of settlements of the North East.
- sort the features of my local settlement into human and physical geography.
- compare the differences between types of settlements.
- identify benefits and problems of living in different types of settlements.
- use maps, atlases, globes and digital mapping to describe features studied.

Design Technology

Let's Cook – Collect, Catch and Cook!

This half term we will learn:

- Where and how a variety of ingredients are grown, reared, caught and processed
- Prepare and cook a savoury dish
- Understand seasonality and how it relates to produce

RE

Topic 2 – Promises- What promises and commitments are made during the Sacrament of Baptism
Judaism- Special Places – The importance of the Synagogue
Topic 3 -Advent- Visitors – How we prepare for visitors
– How Advent begins the Church's year.

PE – We will be working on our team games and gymnastics.
