School were very proud of some of the personal achievements of our KS2 pupils given more context. Three pupils narrowly missed EXS standard in their Reading and Maths SATs. School has evidence in books and from previous test papers to suggest that they were working at the EXS.

If 3 pupils in Reading and Maths had achieved the EXS on their SAT papers, we would have been in line with the National Average.

EXS standard in Reading was 64% - with evidence held in school, it could be 76%.

EXS standard in Maths was 60% - with evidence held in school, it could be 72%.

EXS standard in RWM combined was 48% - with evidence held in school, it could be 68%.

This was discussed with Ofsted in our inspection in December 2018 and the Local Authority (SDP partner). All of the evidence in school was scrutinised and supporting documents acknowledged.
